

# WAMITAB Level 4 Medium Risk Award And Level 3 Certificate in Occupational Health and Safety Practice

## WAMITAB Qualification Areas for this Dual Award:

Transfer - Non Hazardous / Treatment - Non Hazardous / ELV / WEEE / Mobile Plant  
Anaerobic Digestion / CA Sites / MRF / Composting / Recycling Centres

601/8528/4	MROC1	Level 4 Medium Risk Operator Competence for Non-hazardous waste treatment and transfer
601/8531/4	MROC2	Level 4 Medium Risk Operator Competence for Physical Treatment
601/8530/2	MROC3	Level 4 Medium Risk Operator Competence for Open Windrow Composting
601/8517/X	MROC4	Level 4 Medium Risk Operator Competence for Closed Vessel Composting
601/8515/6	MROC5	Level 4 Medium Risk Operator Competence for Anaerobic Digestion
601/8537/5	MROC6	Level 4 Medium Risk Operator Competence for Storage of Digestate
601/8529/6	MROC7	Level 4 Medium Risk Operator Competence for Open Inert Landfill
601/8532/6	MROC8	Level 4 Medium Risk Operator Competence for Open Inert Landfill single waste stream
601/8516/8	MROC9	Level 4 Medium Risk Operator Competence for Closed Inert Landfill
601/8526/0	MROC10a	Level 4 Medium Risk Operator Competence for Non-Hazardous Sludge and Land Spreading
	MROC10b	
601/8521/1	MROC11	Level 4 Medium Risk Operator Competence for Dredgings Management
601/8527/2	MROC12	Level 4 Medium Risk Operator Competence for Non-Hazardous Waste Transfer
601/8518/1	MROC13	Level 4 Medium Risk Operator Competence for Contaminated Land Remediation
601/8522/3	MROC14a	Level 4 Medium Risk Operator Competence for Household Waste Recycling Centres
	MROC14b	
601/8525/9	MROC15	Level 4 Medium Risk Operator Competence for Non-Hazardous Clinical Waste Treatment
601/8524/7	MROC16	Level 4 Medium Risk Operator Competence for Non-Hazardous Clinical Waste Transfer
601/8538/7	MROC17	Level 4 Medium Risk Operator Competence for Storage of Electrical Insulating Oil
601/8523/5	MROC18	Level 4 Medium Risk Operator Competence for Mechanical Biological Treatment

## City & Guilds Level 3 Certificate in Occupational Health and Safety Practice

To achieve the award the learners must achieve a total of 31 credits. Learners will need to obtain a total of 23 credits from the mandatory units (301-305) and a minimum 4 units and of a value 8 credits from the optional units (306-309).

### Mandatory Units

Unit Ref No:	C&G Ref No:	Unit Title	Credit Value
T/602/1912	301	Ensure responsibility for actions to reduce risks to health and safety	4
L/601/6408	302	Develop procedures to safely control work operations	4
F/601/9354	303	Monitor procedures to safely control work operations	5
F/601/6633	304	Promote a culture of health and safety in the workplace	4
H/601/6687	305	Conduct a health and safety risk assessment of the workplace	6

# WAMITAB Level 4 Medium Risk Award And Level 3 Certificate in Occupational Health and Safety Practice

QSP are an accredited WAMITAB & City and Guilds assessment centre allowing us to offer a broad range of Waste Management and Health and Safety qualifications. We are one of only a few accredited centres which are able to deliver both awards.

## Who is it for?

This **BRAND NEW** dual qualification is designed for those who require to gain a Medium Risk Operator Competence Certificate for facilities which handle for example: Non Hazardous Waste, End of Life or WEEE plus many more pathways; with the added bonus of a gaining a recognised Health and Safety Qualification

## How does it Work?

The assessment is undertaken at the candidate's own site by a Joint Awarding Body approved Assessor. This causes minimum disruption to the candidate's day to day work load which can occur with alternative training programmes, where the candidate leaves site to be trained in a classroom setting. By undertaking both awards together, considerable time is saved due to the types of evidence required for both awards can be used across both ranges of units.

The award includes for the candidate to build a portfolio of evidence which is then assessed against a nationally recognised standards.

## What will I Gain?

On successful completion of this dual qualification, candidates are issued a WAMITAB Level 4 Diploma for the appropriate facility type along with a City & Guilds Level 3 Certificate in Health and Safety Practice; their portfolio which has recorded their achievement is also retained to keep as a reference.

## What are the Benefits to the Candidate?

- ✓ Understanding of the need to comply with legislation
- ✓ Opportunity to develop
- ✓ Improved working knowledge of the relevant legislation, health and safety practices
- ✓ Enhances career development prospects
- ✓ Selected units are transferable between awards
- ✓ Understanding of how to provide a safe working environment
- ✓ Improved awareness and training to reduce accidents at work
- ✓ Achievement of a nationally recognised qualifications
- ✓ Contribution to the safe working practices of the organisation

## What are the Benefits to the Company?

- ✓ Financial savings by undertaking both awards simultaneously
- ✓ WAMITAB & Health & Safety Qualified member of staff
- ✓ Able to provide competency based cover for more than one site
